SSHPP SUPPORTS SOLAR WHEN IT IS DONE RIGHT

SOLAR SHOULD GO HERE

...NOT HERE!

**NEXT LAND USE BOARD HEARING
11/13 AT BEDMINSTER TOWN HALL
PRESERVEBEDMINSTER.COM**

THERE IS NOTHING GREEN ABOUT THIS PROJECT

- **43** Acres of farm land destroyed
- **38** Acres of woodlands clear cut
- **108** Acres of farmland left unusable for farming
- Destruction of Raritan Headwaters Association' (RHA) watershed and New Jersey Highlands' regional master plan, planning area.

SSHPP supports the development and deployment of alternative energy sources, including solar. They also support the preservation and protection of our farmlands, woodlands and open spaces, as well as the scenic beauty of our community.

The Sanofi of Bridgewater solar project should stay in Bridgewater not Bedminster

LEGAL DEFENSE IS COSTLY, PLEASE DONATE

We have partnered with Raritan Headwaters Association and New Jersey Highlands Coalition in our opposition to the proposed power plant.

To help raise money for the legal battle ahead, the New Jersey Highlands Coalition (a 501(c)(3) non-profit organization) has set up a special fund to accept tax deductible contributions on behalf of STOP SOMERSET HILLS POWER PLANT. Contributions to the fund also qualify for matching charitable contributions by employers. Please ask your employer to match your own charitable contribution.

You may make a tax deductible contribution online at
http://www.njhighlandscoalition.org/HTML/join_contribute.html
(PLEASE BE SURE TO WRITE "SSHPP DONATION" IN THE MEMO SECTION).
